ECONOMIC DEVELOPMENT & TOURISM

# Texas Semiconductor Company Directory

February 2010

[www.texaswideopenforbusiness.com](http://www.texaswideopenforbusiness.com)

## Texas Semiconductors Companies

The semiconductor industry includes companies primarily engaged in manufacturing semiconductors, other components for electronic applications, and semiconductor-making machinery. Industry products include chips or integrated circuits, wafers, transistors, microprocessors, circuit boards, electronic connectors, and most recently, nanotechnology products.

A list of the major semiconductor industry codes from the North American Industry Classification System (NAICS) follows.

NAICS 3344	Semiconductor and Other Electronic Component Manufacturing
NAICS 333295	Semiconductor Machinery Manufacturing

### ReferenceUSA\* Texas Semiconductor Company Listings

\* This directory was created using a ReferenceUSA Texas dataset, which is publicly available from the Texas Workforce Commission at <http://www.texasindustryprofiles.com/apps/eci/index.asp>. The dataset can only be searched to a broad 4-digit level and may not represent the most current information available. *Due these limitations, no useful company data were found for NAICS 333295.* Company information in ReferenceUSA is published by infoUSA at P.O Box 27347 Omaha, NE 68127, 800/555-5211. If any of the ReferenceUSA company listings in this directory contain errors, please contact infoUSA to report them for correction.

**Due to formatting limitations from original sources utilized, this directory is not available in Excel format. Please contact infoUSA to purchase Excel-formatted data.**
